Scotts Hill, Tennessee

Foreword

Gathered within these pages are treasured memories of classmates, teachers, activities, and all that has been a part of our school life at Scotts Hill School. We hope that as you look at the following pages you will share with us some of our fondest memories.

Look closely at our past; then go with us into the future, realizing as we do that "gone are the yesterdays, but the sun dawns on a new tomorrow."

Every year the Senior class is given the opportunity to pay tribute to the people who play a special part in their lives. It is a great privilege to offer this dedication to our parents and Mrs. Margaret Dyer for all you have meant to us.

It seems as though it has been only a few short years ago since we began our school years. But the years flew by and new things filled our desires. Yes, and you, Mom and Dad, were the ones who shared all these things with us. You laughed when we laughed; cried when we cried. You knew and understood.

And so, Mom and Dad, we offer this dedication to you to express our appreciation for all the loving memories of your trust, confidence, wisdom, understanding, friendship, and love you have given us through these years.

To you, Mrs. Margaret Dyer, we owe more thanks to you than we could ever express in words. We don't see you as only our English teacher, but as our friend. You're always willing to help us without ever expecting anything in return. Your devotion and hard work have helped to make this the most memorable year of our days here at Scotts Hill. We will never be able to tell you how we appreciate all that you've done to help us, for you have left an image in our minds that we shall never forget.

In Memory of Mark Green

In memory of Mark Green, we have set aside this page of the Lion. Mark was such a good friend to all of us. He had been a member of our class for several years. We have missed his being with us very much.

He never quite left us, our friend, who has passed,
Through the shadows of death to the sunlight above.
A thousand sweet memories are holding him fast,
To the places he blessed with his presence and love.

Note of Thanks and Appreciation

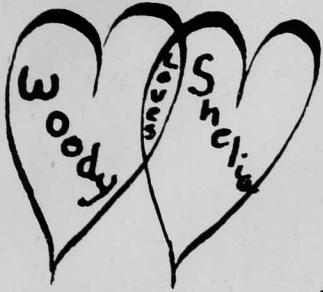

After several months of hard work our yearbook is completed. It has been a long and hard job, but we are very proud and shall always treasure this book. Without the help of many people, this publication would have been impossible. We wish to express a special thanks to all who purchased an ad, bought a yearbook, and the many people who devoted time to work on the book. Our thanks go to The Moore Studio, Inc. for the day they gave us making pictures. We owe very much to Mr. Woody for his help and co-operation, to Mr. Carr for making pictures, and to Mr. Hampton for the art work.

We regret a shortage on pictures which is the result of our having to miss school due to bad weather. We hope that everyone will enjoy and treasure this edition.
